Remodeling

We are going to keep moving forward. In fact I just ordered our St. Joseph statue for our grotto. What grotto? It's coming.

You will notice that the kneelers are placed differently for the communion rail. That is intentional. This is the approximate design for the permanent rail that we are designing and will be installing in the near future.

It is my hope that we have the communion rail and the grottoes in by Easter. Please pray for me and those who have been helping me along the way.

I especially want to thank those who came to help us clean the Church for the Christmas Mass. Sorry to say that I am only going to keep on messing the place up with the remodeling. It will all be worth it. I hope you will come back for the Easter clean up. And perhaps a few other hands will come to help us also.

What will become important is that we start telling people about the new look and that they should come down to see it. And while they are here, they might as well stay and join us for worship also. Bait, hook and reel them in. No pun intended. Jesus called the disciples to be fisher of men.

Thank You

Thank you so much to all those who participated in the spiritual bouquet you gave me for Christmas. Please know that pray for all of you everyday. Our prayers keep us united in Christ as a family of Faith. Our Lord has so greatly blessed us with this community. And He has so greatly blessed me by letting me serve you.
