Wedding Banns

Be it known to all here present that Patrick Lind, son of Gordon & Louise, and Pamella Pilant, daughter of Eugene & Frieda, intend to be united in holy matrimony. Wherefore, we hereby admonish each and all that, if anyone of you has knowledge of an impediment existing which would prevent their marrying, whether it be an impediment of blood relationship, relationship through marriage, spiritual relationship or of any other kind, you are bound to make it known to the pastor or the bishop as soon as possible. This is the second publication of the banns.

Memorial Day

Memorial day is a day to remember our fallen soldiers who died for love of this great nation. More than the nation it self, they loved their families and friends who make up this nation and who were worth fighting and dying for.

It is our obligation to respect these brave men and women by living up to the standard that they fought for. They fought that we might be free and have the opportunities that God and the Constitution afford us.

We honor them by making something of ourselves. We honor them by continuing to build this nation into an even better one. This is the respect that they deserve and every combat veteran deserves.

We owe them so much, so remember them in your prayers.

We also must reflect on God and thank Him for all He has done to make this nation possible. I know we have let Him down in so many ways, but He still has blessed us that we might be this great nation. Pray that He would not withdraw His grace completely from us for our transgressions of liberalism, socialism, abortion and selfishness to name a few.

May God bless the USA and each of us and in a special way this memorial day, all our deceases loved ones.
