Made for Happiness ???

The Bishop's so called Made for Happiness is this Saturday. For more information go to dioceseoflansing.org and click on the Made for Happiness icon.

If you plan on attending please be sure to register and to make sure you use the option to let them know that you are from our parish so the Bishop knows we participated.

If you go please keep the following in mind:

We are not made for happiness. This faults statement, heretical even, is not compatible with the Catholic faith. We are never promised happiness in this life. And we only obtain happiness in the next life if we live this life coming to know Him, love Him and serve Him. If we do so then we will be happy with Him forever in the next.

Happiness is not our goal. God, the beatific vision is our goal. We are made for God. We are made to know Him. We are made to

love Him. We are made to serve Him. To sum this up, we are made to give glory to God. When we do this, we will experience joy. Perhaps it will be an emotional joy, but more important we will experience a spiritual joy, a joy that comes from the heart. But this joy is still only the result of glorifying God. Joy is derived from glorifying God in this life and in the next. It is not the goal. It is the result. Glorifying God is our goal, our aim, our everything. If we do this, we will experience happiness.

Remember the true goal always. Who we are and what we were made for. God.

I hope that makes you happy ☺
